WORKSHOP #2 : Just Right Usability Testing

- **Date : 25th August 2016 (Thursday)**
Venue : Clear Lab, Faculty of Information and Communication Technology, UTeM, Melaka Malaysia | Time : 10.45 am - 12.45 pm

- This workshop will show how you can do “just right” usability testing that is both time and economically efficient, but deliver tremendously valuable results that greatly impact product design.
- We’ll go through how to prepare for, conduct and trend the results of a mobile app moderated usability test.
- It’s a fast paced but easy to understand course that will give you great takeaways you can implement right away into your company or startup.
